FINAL VERDICT DUE MONDAY ON PROTESTED APARTMENTS

WILL COUNCIL BE SPLIT?

Showdown Decision On Garibaldi-Price

Final verdict on the rezoning of vacant lots on Garibaldi and Price streets for apartments will be a major item on the city council agenda next Monday night.

Thirty-one residents of the Garibaldi area have petitioned against the zoning. Led by Frank Zanini, of 53 Garibaldi, the homeowners insist that the area remain single-family residential as apartments would only add to traffic congestion and dangers to children on dead-end Garibaldi.

Gus Pedemonte, long-time resident of this area, on the other hand has offered to personally pay for and install a two-way street linking the east end of Garibaldi south to Price street in connection with his proposed apartments. He says his final plans also will confirm adequate parking.

Zanini has pointed out that the homeowners are only opposed to rezoning of the property on the south side of Garibaldi, not the lots on Price street.

In other agenda business next Monday, the council will hear a report on talks with Standard Builders on possible annexation of the Panorama Development east of Daly City, progress report on the quest for a new city manager, and any new developments on hiring an outside firm to make a general audit of the city's books.

DALY CITY Chamber of Commerce installation banquet Thursday evening found banker Louis Pisani (front, right) assuming the presidency via handshake with banker Parkes "Ted" Harris. Looking on (clockwise) are Councilman Micheal De Bernardi, Pete Markovich, Chamber secretary-manager; guest speaker Congressman J. Arthur Younger, and high school superintendent Edward Morgan, new vice president of the Chamber.

Zone Ordinance Hearing Moved To November 10

City planning commissioners (three of five were present) last week moved to continue the continued hearing on Daly City's proposed new zoning ordinance to November 10.

The action was taken because the council still hasn't concluded its deliberations on the Master Land-Use Plan—the guide to zoning which ties in with the proposed new zoning ordinance map.

Tony Masini, Roy Foster and Richard Dwyer formed the commission quorum for last week's meeting, originally scheduled Tuesday night but postponed two days due to a council meeting that Tuesday evening.

In agenda action, the three commissioners:

1. Set November 10 hearings on Zita Corporation zoning applications on two parcels in St. Francis Heights, one for a commercial development at southeast corner of the subdivision and the other for apartments near Eastmoor avenue and M. Pauline Brown school.

2. Granted use permits to Doelger Corporation for the erection of three billboards — in Westlake Units 9 and 11 and off Skyline freeway south of the Christopher Columbus school site.

Council Nixes $100,000 Claim

Two damage claims against the city — one for $100,000 — were turned down by the council last week and referred to the city's insurance carrier.

The bigger claim was filed by Westmoor High gardener, Alfred Borelli, 41, of 88 Gambetta street, injured July 16 when he tumbled off a truck in Westlake. He suffered three fractured ribs, a broken leg and a fractured pelvic bone. Borelli claims abandoned wires on the street caused his entanglement and subsequent fall from the vehicle.

The second claim was filed by Donald Scribner, 122 Willits street, on behalf of his daughter, Donna Lee, age 4, who suffered a broken leg at Marchbanks Park on July 27 this year. The father claims the city recreation supervisor assigned to the park was negligent in the mishap.

COUNCIL TO EVALUATE ENTIRE SURVEY

Land-Use Plan Still Contested

A sparse "crowd" of 10 residents attended final public hearing on Daly City's proposed Land-Use Plan Monday night before the city council.

Ray Charette, unofficial spokesman for the Mission street merchants, made last-ditch arguments against the special survey, drafted by the firm of Hahn, Wise and Barber at a cost of $16,000 (the city's share was $4000). A letter from Doelger Corporation, citing faulty parts of the plan, also was read to the council by the city clerk.

Charette's points repeated his earlier statements in previous land-use discussions. He accompanied his presentation with a personally drawn map, amending the professional survey and what Charette called its "omissions."

Basically, Charette, blind and shade store owner at the top of the hill on Hillcrest drive, joins other Mission street businessmen and major landowners who feel the presented plan lacks consideration of rapid transit, redevelopment of the rundown older section of town, and fails to allow practical expansion of the Mission street shopping area.

Charette, realtor Ricco Lagomarsino, and the Doelger officials feel the plan should be junked and the city should let another professional firm prepare a better surey.

Councilman Joseph Verducci said the Land-Use plan was "so snafued that I don't see how we possibly can adopt it as it now stands." He said the council should carefully study the three other phases of the plan to be presented by Hahn, Wise and Barber before making a final decision on its overall adoption. The rest of the council agreed and emphasized that there still is adequate time for more deliberation.

Two Cops Ire Lady's Wrath In Bar Brawl

While police responded to a call of two men fighting, it was a woman who gave them the most trouble last Saturday evening.

Mrs. William Everett, 32, 6163 Mission street, ripped off Officer Matthew Murray's badge and bit Sergeant David Hansen's thumb after the fracas.

Officer Richard Sims took the call from Marie Claussen, owner of the Mission Bell Chateau, 6143 Mission street, and asked help in restraining Hudson E. Larrison and William Everett who were fighting. The fight began when Everett found his wife in the tavern with Larrison, according to the police report.

Larrison was in a drunken condition, Sims said. Murray and Hansen spotted Mrs. Everett lying in the doorway and assisted her to her feet. She pulled Murray's badge off while the two policemen were aiding her. Also in a drunken condition, she was restrained and handcuffed and placed in the rear of the vehicle, Sims said. Later when Hansen was leading her to a jail cell she bit his thumb. He gave her a slap with a open palm, the police report stated.

Larrison, 31, a roofer of 1525 County Road, Sharp Park, was released on $75 bail and is to appear in municipal court on Tuesday, October 27. Mrs. Everett, also arrested on charges of disturbing the peace, was released on $25 bail and is to appear at the same time.

Westlake Girl Hurt By Truck

Five-year-old Sofia Salvouris was taken to Kaiser Hospital in South San Francisco last Friday after she ran into a moving panel truck at Weston drive near Glenwood drive in Westlake. Her injuries fortunately appeared to be minor.

The girl, of 28 Weston drive, reportedly ran into the truck of Emile L. Thomas Jr., 29, 2131 Quintara street, San Francisco. Thomas, a route salesman, said the girl ran out from behind a parked car and into the right side of the vehicle.

A witness said she saw the right rear wheel of the vehicle pass over the girl's left leg, but the girl got up and ran after being struck. No citations were given by Officer Rich deLosa pending further investigation.

HOUSEWIFE HERE SLASHES WRISTS

Barbara Louise Sullivan, 34, 8 West Cavour street, slashed her wrists "more to attract attention than to commit suicide," the attending physician told Officer William Schumacher early Wednesday morning.

However, the doctor recommended placing a 72-hour hold on her. She was transferred to Community Hospital.

Raymond Sullivan, her husband, told Schumacher at Junipero Serra Hospital that his wife had awakened him at 2:15 a.m. and said she had cut his wrists and need a doctor. She has been under an emotional strain, the police report noted.

CIAMPI RELEASES ONE

Two Additional School Projects To McSweeney

Elementary district trustees Monday night assigned architect Angus McSweeney to design a teacher's work room at Colma K-6 School.

The room will accomodate 16 teachers at the school. It will cover 500 square feet of space. Superintendent Richard Foster says the teacher facility will cost an estimated $15,000 and $1200 more to McSweeney for his fee.

Due to architect Mario J. Ciampi's inability to proceed with the work on Christopher Columbus School and the proposed intermediate school south of St. Francis Heights, the latter project (Upper Grade School, 7 and 8) was awarded to McSweeney.

McSweeney also recommended to the board that the salary of Leroy Snyder, inspector at the Thomas Edison and Abraham Lincoln schools, be raised $50 due to his additional work load and ability. The board granted the raise which now gives Snyder a monthly salary of $700.

In other business, trustees awarded the bid for soil erosion control at Vista Mar School to Arthur Haskins, Inc. for a total bid of $61,000, subject to approval by the state department of finance. Base bid was $50,200 and $10,800 was for alternates.

In addition, the board directed the administration to go ahead with plans for 50 percent of the work before department of finance funds are available in order to beat the rainy season.

The board also sold the house at 1659 Sweetwood drive to Pete Pereira for $199.95.

New teachers hired were Miss Sharon Louise Hagen, who received her A. B. at Lindfield College in Oregon and taught one year in the fifth grade in that state; and Miss Annette Horngren who received her B.S. at Marquette University and has taught one year in Jefferson Elementary District.

Trustees approved the State Department of Education request for Dr. Vinton Stratton's services from November 30 to December 11 to work on the allocation of federal funds for projects in foreign languages,

EMPLOYEE WAS 'AWOL' WITH CITY VEHICLE

Daly City Police received the report that "Old No. 98" of the Public Works Department was missing Monday. Not only was the orange, light repair truck containing a ladder gone, but the driver Francis Robertson, 44, was also nowhere in sight.

Sergeant David Hansen investigated and found that a man bearing Robertson's description had bought a bottle of wine in the vicinity of School street and Station avenue around noon time.

Five hours later the truck was still gone but it had been seen at Knowles and Santa Barbara avenue. At 8 p.m. Officer Richard Sims found the truck had been returned to the water department building at Templeton avenue and Mission street.

Sims said there was no apparent damage to the truck. Officer Matthew Murray found Robertson at home. He had apparently been drinking but was not drunk, the police report stipulated.

Robertson said he had "personal problems" and refused to say where he had been. Asked if he had damaged the truck, he replied, "I wouldn't do anything to jeopardize my job." He told Murray he intended to report to work the following morning. Keys to the truck were taken from Robertson and turned over to the city electrician.

2 Jeff Sophomores Sent To Hillcrest For Auto Thievery

Two Jefferson High sophomores, 15 and 16, were transported to Hillcrest Juvenile Detention Home Tuesday after attempted car theft, according to police reports.

Viva Freccero, 2497 Junipero Serra boulevard, notified police when she saw two boys pushing a car from 90th street and Junipero Serra boulevard toward Railroad avenue. The auto was registered to Terence O'Toole, 411 O'Farrell street, San Francisco, and was at the Speedway Garage for repairs.

Newspaper Workshop

Marchbanks Publications newspapers, 3317 San Jose avenue, Daly City, will host a publicity workshop this Saturday morning, from 9 to 10 a.m., for all local club, PTA and social group publicity chairmen.

Techniques of preparing publicity items for publication and an explanation of newspaper operations will be featured.

POLICE HALT SF YOUTH ON BOGUS CHECKS

A 19-year-old unemployed San Franciscan, with the name of "Lazy Mary" on his car, attempted to cash one of nine checks he allegedly stole from Frank Toscanini, 185 Rome street, San Francisco, and was arrested here by Sergeant Charles Terry on a San Francisco police warrant.

Toscanini said nine checks were missing since October 10 when Frank Nieve, 19, 179 Candlestick road, was looking for a job and helped out at Toscanini's serice station.

The manager of Safeway Store, 4940 Mission street, told Daly City Officer John Coleman that Nieve had attempted to cash a check there and when he said he would call Toscanini to prove it was valid the 19-year-old asked for the check back.

He was arrested by Terry Saturday afternoon on charges of petty theft and forgery. He was turned over to the California Youth Authority and then will be transferred to San Francisco police.

MAN WHO WASN'T THERE IS LUCKY HE WASN'T THERE

Police believe residents of Daly City shouldn't aim shotguns at the front door and blast away if someone should knock. Shirley Simonoff, 27, of 85 Orange street, did just that a 4 a.m. last Thursday.

Mrs. Simonoff called police at 3:47 a.m. and when Special Officer Richard Leahy and Officer William Schumacher arrived she told them that someone was knocking at her door. The two officers said she apparently had been drinking. They told her to settle down, then left.

At 4:16 a.m. she again called police and told them she heard the knocking at the door and sent a volley from a shotgun through the front entrance.

Police waited until her husband, L. G. Simonoff, arrived and told him to put the shotgun away for safekeeping.

Kissing Tot Brings Arrest

John Stephen Stubbs, 51, a gardener, was sentenced to 60 days in the county jail by Municipal Court Judge Charles Becker last week after police arrested him Friday when he kissed a four-year-old Westlake girl.

Stubbs, 995 Market street, San Francisco, was apprehended by the little girl's father after a neighbor had notified his wife to call the police as a man was kissing her daughter. The girl had been playing in front of the house.

Officer Ed Beecher arrested the suspect on charges of loitering near children when the mother notified police. Questioned as to why he was kissing the girl, all he would state was that he just "had to kiss the girl" and then started crying, according to Officer Les Bastedo.

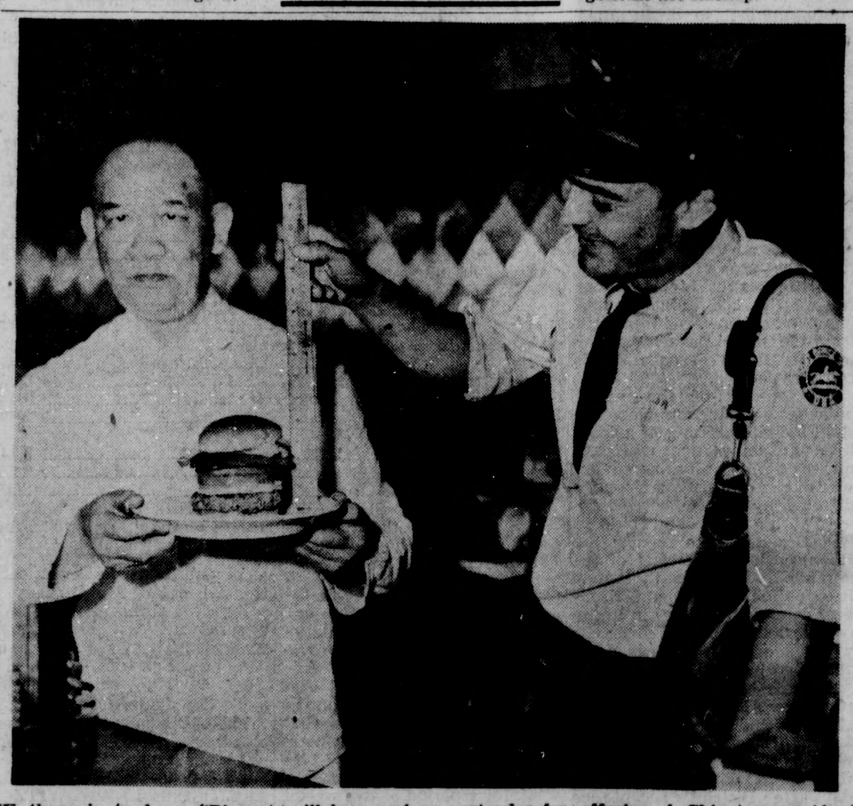
Convicted Brisbaner Is Sentenced To Weekends In Jail

Kenneth G. Ross, 21-year-old Brisbaner charged with drunk driving, hit-run, and speeding here September 25 in a three-car crash on Junipero Serra boulevard, was sentenced Tuesday in municipal court.

Judge Charles Becker placed the "slightly disturbed" young man on two years probation and ordered Ross to spend the next 10 weekends in county jail. Provision also was made by Becker for Ross to undergo psychiatric treatment.

Officer Charles Terry arrested the Brisbane resident after the latter fled the scene of the accident which resulted in injuries to two passengers in the damaged vehicles. Ross admitted his guilt at an earlier court hearing.

He lives at 1145 Humboldt street in Brisbane.



IF there is to be a "Biggest Hamburgers In The World Contest," Chinese restaurant man Chuck Lew of Daly City's top-of-the-hill Mission street eatery will be a serious contender for the title. Mailman Lou Vanini, 402 Santa Barbara avenue, had to get out a ruler to gauge the height of this typical Lew offering. A Chinatown resident, Lew was born in the Canton section of China.

Land-Use Plan

(Continued from Page 1)

Calhoun indicated that the presented plan had been partially amended in certain areas at the suggestion of Charette and the handful of other protestants.

Once these amendments are finalized by the council, the adjusted Land-Use Map is returned to the planning commission for a required public hearing, a necessary step contingent to final adoption by the council.

Verducci added that it might be a good idea for the council to consider hiring a full-time planning consultant in the immediate future to coordinate all zoning matters and work with the planning commission.

Two More Juveniles Confess Guilt In Auto Theft Wave

Two youngsters, 11 and 12 years old, were given juvenile citations to Hillcrest by police and released in the custody of their parents. Police said they were connected with the other seven Daly City youths who had numerous car thefts charged to them last week. The boys were booked Saturday morning.

The additional pair, a fifth grader at Woodrow Wilson and a seventh grader at Colma, admitted the theft of keys from autos parked at Fulton Auto Sales, 6565 Mission street. The seventh grader said he had the keys but lost them. They had intended to return and steal the vehicles, they confessed.

Girl, 4, Run Over By Bus, Hospitalized

Peggy Ann Zurth, 4, of 101 Knowles avenue, Daly City, sustained multiple cuts and a concussion after being struck by a Northgate Transit Company bus last Thursday at 3:55 p.m.

The small passenger bus passed completely over the girl but the wheels did not hit her, Officer Richard deLosa stated. Albert Bickham, of Richmond, the bus driver, said he was not aware of hitting the girl until he heard a "thump."

Witnesses at the accident said the girl darted out from behind a parked truck and auto at the corner of Knowles and Santa Barbara. She was transported to Junipero Serra Hospital by M&D Ambulance. The driver was not cited.

Peggy Ann was transferred to St. Luke's Hospital and the care of her own physician that night.

TWO INJURED IN AUTO CRASH ON WESTRIDGE

Two San Francisco housewives were involved in a collision resulting in injuries here Saturday afternoon at Skyline boulevard and Westridge avenue.

Marjorie Smith, 33, 1108 Tennessee street, and Edith R. Arnold, 49, 286 Richland avenue, were the drivers of the autos.

Officer Phil LaBruzzo said none of the persons involved in the accident complained of being injured when he arrived, but later Mrs. Smith complained of pain to her back, and her passenger, Ruth Brown, 28, of the same address, said she had cut her leg.

Since they were already in a taxi the cab driver brought them to Junipero Serra Hospital for treatment. LaBruzzo cited Mrs. Smith for following too closely.

Jefferson High Student Booked For Car Theft

A 16-year-old Jeff High junior was apprehended on suspicion of car theft on October 9 after Officer Phil LaBruzzo spotted the boy driving a car and knowing that the youth did not own an auto.

LaBruzzo halted the auto at Niantic and Knowles. When the officer backed up, three youngsters alighted from the car and started running. Thirty minutes later Officer Richard Sims spotted one suspect at Marchbanks Park.

The boy jumped over the fence at Toyland Nursery and got away. An hour later LaBruzzo went to the boy's home and found him in bed. His mother said he stayed home from school due to sickness but that he did get out of bed to see his girl friend after class.

The boy, with a prior arrest record, denied taking part in the car theft. LaBruzzo positively identified him and released him to the custody of his mother due to his illness but gave him a Hillcrest Juvenile Detention Home citation.

The auto is registered to Dewey W. Engle, San Jose, and he was notified of the theft.

TV SET STOLEN FROM RESIDENCE ON BEPLER STREET

Timothy Curtin, 90 Bepler street, told police that a 21-inch TV was stolen from his house between 9 a.m. and 3:30 p.m. last Wednesday. It was valued at $200.

Curtin said his wife, Mary left the house at 9 a.m. for work. When Timothy Jr. arrived home from school the TV had been taken but nothing else had been touched.

Officer Richard Sims said the television was apparently taken out through the rear door as a large over-stuffed chair was jammed against the front door which had been pryed open.

Curtin, 57, is a gardener for Doelger Corporation. His neighbors said they would have seen someone trying to enter between 9 a.m. and 2 p.m., so Sims said the thief apparently entered between 2 p.m. and 3:30 p.m.

An estimated 700 million persons in the world are considered illiterates, approximately 44 per cent of the population 15 years of age and over.

TEN PEOPLE OUT OF 39,000

Final hearing on Daly City's ready-for-adoption Master Plan Land-Use map Monday night attracted but 10 persons, only three of whom had anything to say.

The council closed the hearing following a verbal protest from Ray Charette (a Mission street merchant) and another letter from Doelger Corporation protesting portions of the plan.

Earlier in hearings before the council, the Lagomarsino company, pioneer DC real estate firm, joined Charette and Doelger engineers in challenging the map as drafted by Hahn, Wise and Barber at a cost of $16,000 — $4000 of which came from the city and the remainder split between the state and federal government.

Because of these protests the council has ordered some changes to the Hahn, Wise and Barber recommended map. Plan, in general, the Land-Use Plan probably will be adopted is about the way the survey firm drafted it.

Mr. Charette, citing in particular the map's lack of flexibility and failure to provide for needed improvements to the Mission street commercial district and run-down residential sections south of Knowles avenue, did a considerable amount of personal work as a citizen in asking the council to amend the professional survey.

Mr. Charette's sustained interest and dedication to Daly City's progress is commendable. It's only too bad there aren't more citizens with similar community-conscious attributes.

A turnout of only 10 people in a community of 39,000 for a final public hearing on a document that will serve as a guide to future city development isn't much of an indication of concern about the growth and progress of this community!

LONG-TIME Daly City residents remember that this old house, on Market street off Mission near Gateway Chevrolet, was vacant many years ago when they were children. The majestic old structure, owned by elderly Lucy M. Callopy (now of Burlingame), has been unoccupied for more than 20 years, according to police. Many readers have asked about the old home and some facts on its antiquity.

Letters To The Editor

More Comment On 'High Wall'

Dear Editor:

This letter is in regards to the front page article concerning the wall at 1 Westdale avenue which appeared in the October 7 issue of the Westlake Times. We were astounded, after a personal inspection of the wall, that such a tall concrete-like structure is in existence, especially after having read the June 3 issue of the Westlaker. Are there any deed restrictions which prohibit this type structure? Will this event encourage others who, no doubt, are eager to put up high fences, to do what they please or can afford? It is encouraging that these five men, our city council, have seen fit to keep Westlake the haven for those who truly enjoy country living by ordering the city attorney to sue. Congratulations are also in order for our Westlake Improvement Association who also by unanimous vote have decided to sue concurrently.

Respectfully,
Mrs. Eugene King

Navy Rewards Civil Employee From Westlake

Leslie N. Weathersby, 834 North Mayfair avenue, Daly City, has received the Navy's coveted "outstanding" rating plus a cash award of $150 for excellence in performance of his duties at the U. S. Naval Radiological Defense Laboratory at Hunter's Point.

Weathersby is head of the Receipt and Issue Branch which handles procurement and disbursement of supplies for the laboratory. His exceptionally high work standards were demonstrated in many ways. His efficient recording, control and reporting of the property of the Defense Atomic Support Agency earned recognition directly from that agency. He also saved the laboratory a substantial amount of money by persevering in the investigation of shipping certain materials without packing.

As a result of this, additional savings will be realized by using this method whenever feasible for future shipments. He voluntarily assumed the task of renovating and making clear records of storage spaces assigned to other groups in the laboratory, thus releasing scientific personnel to perform their experimental duties.

'Hi-Fi Teens' Planning Dance Saturday Night

The Hi-Fi Teen Club sponsored by the Daly City Department of Parks and Recreation will hold a dance at War Memorial Community Center this Saturday, October 24, from 8:30-11:30 p.m. The dance is open to members only. Admission is 25 cents per person. Music will be provided by Hi-Fi.

Reports on the Northern California Youth Council Conference held at Asilomar were presented to the membership at an open business meeting October 14. Each report presented by the delegates was on a certain phase of "Teens View Their Responsibilities," the conference theme.

Following the reports, elections were held for the six elected council members. The Executive Council consists of 12 members — 6 elected and 6 appointed by the advisors. The newly elected council members are: Barbara Giannini, Craig Garcia, Nancy Reginelli, Ernie Montoya, Dolores Spinetti and Mike Rovai.

The Hi-Fi Teen Club and the "Blingum Inn" Teen Club of Burlingame are attempting to organize a countywide youth council. The organization of such was one of the recommendations developed at the Governor's White House Conference County Town Hall Meeting held at Hillsdale High School last month.

Membership in the Hi-Fi Teen Club, open to all Jefferson and Westmoor high school students, has now surpassed 825 members.

Marchbanks Publications three newspapers, headquartered in Daly City, have more pages weekly and more "local" news items than any other printed medium in the entire north county area.

The three newspapers reach homes in Pacifica, South San Francisco, Bayshore and Brisbane, in addition to all of Daly City and Broadmoor.

These facts are worth remembering considering National Newspaper Week, October 15-21.

In these days when juvenile delinquency is somewhat overmagnified, it is refreshing to relate some of the "positive" things accomplished by the younger set.

Such as recently when three Jefferson High boys mustered some $43 for the widow of Pete Sarris of 224 Los Banos, who died from a heart condition.

The youngsters were friends of Pete's son, Billy, and felt a floral offering would be fitting from Billy's Jeff classmates.

Widow Sarris was speechless when this token of sympathy was proffered by the trio. She relayed the money to the Holy Trinity Church (to be constructed along Brotherhood Way near Lake Merced) building fund.

Assemblyman Francis Criticizes New Taxes, Says 'Unnecessary'

"Unnecessary taxes are the people's yoke," declared Assemblyman Louis Francis at the recent luncheon meeting of the San Bruno Rotary Club.

The state legislator charged that new taxes sponsored by the state administration are unnecessary and that they will saddle the wage earners and their families. "Californians, their children, and their grandchildren," he said, "will be paying a stiff price for many years for the ambitious program of the new administration."

"California had by far the highest state taxes in the nation, even before this new tax increase went into effect last year."

He pointed out that the United States Commerce Department, in releasing the fiscal 1959 state statistics recently reported a record $15,831,000,000 collected in state taxes.

California taxes had increased from the previous fiscal year by $139,000,000 for a total of $1,813,000,000 to lead the nation. Even New York with a greater population was far behind with an increase of $85,000,000 for a total of $1,586,000,000. Furthermore, California and New York were far ahead of the next ranking states with collections at $902,000,000 in Pennsylvania, and collections at $806,000,000 in Michigan.

"This is the picture even before California's tax increases went into effect on July 1. You can imagine what the picture will be at the end of this fiscal year on June 30, 1960, and incidentally, during our most important election year in California," exclaimed Francis.

Francis reported that he voted against all tax measures, including cigarette and tobacco, beer, income taxes and others, because he said that he realized the cost of each tax voted must in the end be paid by the people.

He pointed out that in January the governor submitted to the state legislature the largest budget in history, exceeding $2,202,000,000 for the 1959-60 fiscal year. At the same time, he proposed and demanded passage of seven major tax measures to raise over $250,000,000 he said.

"Immediately, I joined the other legislators," Francis stated, "in objecting that new taxes and tax increases were unnecessary because of the large reserve funds of nearly $250,000,000 and the expected increased state revenues due to the rapidly improving economic situation. We fought each and every tax measure on that basis. We argued tirelessly for almost six months on the floor of the Assembly that the administration's tax program can only be paid by the people, with the heaviest burden falling on those with small and middle incomes. "We also argued that new taxes should be avoided until all reserve funds which belonged to the people were expended. In the meantime, we demanded that the new administration operate on a sound "pay-as-you-go" and fiscal basis.

"Nearly six months later, we were proved to be right. The Governor and his Director of Finance admitted recently that they had underestimated state revenues by many millions of dollars. They had not correctly anticipated rapidly improving business conditions, although 'we had told them right along.' They conceded that there would be a carry-over surplus from the current fiscal year, which amounted to nearly $18,000,000.

"We know that the state was solvent without new taxes, and the saddling of more taxes on the already harassed wage earner and home owner makes life only more difficult and complicated for him and his family. This is particularly true for a large segment of our people living on fixed incomes."

Average Westmoor Teacher Is 32, 7 Years In Field, Still Studying

Westmoor High School's 82 member faculty has an impressive record in educational training and experience. Hailing from 17 states and two countries, these teachers are contributing their wealth of background to the students.

With 21 bachelor of Science degrees, 61 Bachelor of Arts degrees, and 31 Master's degrees, the faculty has accumulated numerous university and college honors and credits. The average number of post-graduate credits is 56. Twenty-five members of the faculty are working on master's degrees.

State of California credentials is another field in which they have amassed a great fund. In addition to their initial General Secondary Teaching Credential, 10 have acquired additional credentials in administration, four in secondary supervision, and three members have Pupil Personnel Credentials. At present 38 faculty members are working for additional degrees and credentials.

A composite picture of the average Westmoor teacher would be one with seven years of teaching experience, age 32, and taking three credits at a local university or college to further his knowledge in his field.

Just to be sure the local businessmen didn't give Lou too rough a time during his installation last Wednesday, Frank Spadarella, owner of the chain of Pizza Houses, looked in at the meeting. Of course Frank being a Lions Club Zone Chairman (and that's getting up there), the Lions roared with satisfaction over the fine quality of Pizza served at the local restaurant. Oh yes, they also deliver to South San Francisco, and the entire local area.

This very unique operation serves a variety of 25 different pancakes, waffles, ham-sausage or bacon & eggs all in a pleasant atmosphere and decorated in traditional maple furniture. Also available at Uncle John's are facilities for large private gatherings and banquets. Another desirable feature is their parking lot where space is available for over 100 cars. Don't hesitate to bring the entire family (special children's plate just 65c, under 12 years old).

Wheeler plans to follow up with a second "Gala Night" on October 28. Don't forget: In addition to the fun and food heretofore offered by the Peninsula's newest nightery, The Kegs now adds dancing to its list of features. Dick likes to call his spot "The Poor Boys' Night Club" because the tariff's really low, but not the quality of food, drink and entertainment.

TV and Radio

By Mona Baker

After watching the first month of the new season colorcasts, we do believe that color has really come into its own this fall. The beautiful stage settings, the dramatic lighting, the fashions of both stars and dancers that are striking blends of reds and pinks, lime green to yellow, exotic black and white, really make the new season spectacular! In sports, a football game is more effective because there is contrast in uniforms and it is easier to keep track of the ball.

Really exciting is NBC's chemistry series on "Continental Classroom" (KRON-TV, 6:30 a.m.). We don't have to be told that because of certain chemical reactions, a liquid changes color, we can see the change right before our eyes.

On the subject of educational television, with the advent of in-school telecasting this week over KQED we can not help but compare the support of educational programs in this country with that of countries around the world. One of the most interesting panels at the recent Westinghouse Conference was the one on international television with delegates from Italy, England, Germany, Japan and Mexico. Frankly we were quite amazed at the progress made by other nations. Italy, for instance, uses television exclusively to teach their children in many towns of a thousand population, where if it were not for television the youngsters would receive no instruction because they can't afford teachers. They use television extensively in the cities also. The British delegate said that public service programming is the most popular in England.

'Premature' Garbage Bill Increases Will Be Rectified

Residents who were erroneously billed in advance of the new city garbage pickup rate increase, effective October 1, will be given credit for their excess payments in future water-garbage bill collections.

Finance Director Joseph Arch made this statement to the council last week, admitting there had been an error by the city in charging residents the increased garbage fee "too early."

Westlaker Attending Convention Of Groups Aiding Retarded Tots

Westlake resident Foster C. Jones, teacher at the Self Help School of San Mateo County Schools program for the training of severely retarded children, will represent the Peninsula Association for Retarded Children and Adults at the annual convention of the National Association for Retarded Children, it was announced by William V. Regan, president. The meeting, which will be attended by close to 1100 parents of retarded children and professional workers in the field of mental retardation, will take place October 21 to 24 in Cincinnati, Ohio.

"The Convention theme is 'Our Retarded Children in a Changing World'," Regan explained. "The tide is changing for retarded children. We in San Mateo County are conscious of the important strides being made in care and the development of retarded individuals who a short time ago were considered hopeless. After studying the convention reports on experimental programs and projects in other parts of the country, we hope to be able to tell the people of San Mateo County that much more is possible in the schooling, training and employment of the retarded here."

Jones has been a teacher at the Self Help School since 1956. He is a graduate of the City College of San Francisco and San Francisco State College and has post graduate work in special education at San Francisco State College and Fresno State College as well as teacher training at Porterville State Hospital School. A life member of the National Education Association and member of the California Teachers Association and the Council for Exceptional Children. Jones serves as education chairman on the executive board of the Peninsula Association for Retarded Children and Adults. He and his wife, Mary Ann, are parents of two daughters, Maura and Margaret, and one son, Tony.

The Peninsula Association for Retarded Children and Adults was formerly known as the Parents Association for Retarded Children. The new name was adopted not to limit the association to parents of retardation children but to encompass all persons interested in the retarded of all ages.

Folk Singer Sets Concert At SF State

Marilyn Child, long a Bay Area favorite and currently the featured attraction at the Hungry i, will give a special concert at San Francisco State College on Sunday, October 25, at 8 p.m. in the Little Theater. The event is sponsored by the Radio-Television Guild of San Francisco State College.

Tickets are $2 for general admission, and $1.50 for students. They are available at the Creative Arts Box Office, JU 6-3536.

Miss Child, well-known in the field of folk singing, is unusual in that she brings big-city sophistication to well-loved folk ballads, giving them a new flair while preserving their simple, gentle charm. Her fresh, young voice, set against the background of her own guitar accompaniment, is a memorable experience.

RAILROAD FEATHERBEDDING:

$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than $500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is **a fair day's work for a fair day's pay.**

WESTMOOR football coach Pete Matisi (extreme right) and line coach Floyd Gonella talk over strategy with probable starting quarterback Jim Heick.

A TOSS-UP CHOICE

Rams, SSF Grid Squads Clash

Westmoor has 13 points and South San Francisco none in the young Peninsula League season but the encounter between the two clubs this Friday at 3:15 p.m. in South City is rated a toss-up.

The Rams were socked by a strong Burlingame eleven, 38-13, while Ray De Jong's Warriors were taking it on the chin, 27-0, from Hillsdale.

Coach Pete Matisi's Rams were never in the ball game against Burlingame, being behind 32-0 at halftime. The Panthers used the most potent weapon against Westmoor, a strong running game which netted 291 yards. Only 10 yards were gained via air.

And, as usual, Jim Heick's fine passing accounted for many yards (109) and led to two touchdowns. Heick's pass to Tom Dake was a 49 yard scoring effort while shorter passes led to Webb Parker's one yard plunge for the second TD. In all, Heick connected on 7 of 16 throws.

Halfback Walt Prouty led the bashful Ram running game with 44 yards on 8 carries. Dake, one of Heick's favorite receivers, was second in the "picking 'em up and laying 'em down" department with 37 yards for 13 carries.

Tom McHugh, a real speed merchant, twisted his knee after a 12 yard carry and is again a doubtful participant. Matisi said that Heick was the only ballplayer that was outstanding though lineman Andy Saranchock is "coming along."

Matisi expects to make a few changes in the line for Friday's game but isn't sure who'll be the new performers with starting assignments. "We're going to have to improve 100 per cent defensively to come up with a win," he said.

The mentor attributes the weakness of the Rams as the opposing line "outcharging and outblocking us." Asked what part of the line, he said, "Around the ends, inside the ends and through the middle." This puts the whole line on the carpet as first stringers.

South City has a strong running game. Last week, Rich Zinn's 5.3 average led the runners. Matisi believes the Warriors can be passed against. Therefore, it will be a matter of South City's running attack against Westmoor's aerial game.

Burlingame and Hillsdale are two of the teams picked as the cream of Peninsula League teams. Westmoor and South City aren't the "cream-puffs" though and should show improvement as the season wears on. The two local schools are on a level comparably and the contest could go either way.

Buccelli Leads Ram Runners Against Mills

A 19-40 varsity victory over Mills there last week put Westmoor High's cross-country squad in a tie for second with Jefferson in Peninsula League standings. San Mateo is unbeaten to lead the loop.

Jim Buccelli's 10:19.3 romp paced the varsity past Mills. Mills won the frosh-soph event, 20-37, but Westmoor took the frosh race, 28-30.

Tuesday last week in practice, Coach Ernie Ribera's Rams rolled over Galileo, 15-45, with Chuck Dake winning in 10:25.2. Jim Beeler led the Ram JV's to a 23-38 victory against Galileo.

Westmoor's runners invade Capuchino this Thursday for another league encounter.

PG&E SUSPECTS JUVENILES DID $300 IN DAMAGES

Pacific Gas and Electric Company, 111 Sutter street, has been the victim of malicious mischief causing $300 damage to equipment in Daly City last weekend and other damage earlier.

Richard Jefferies, of Millbrae, foreman of men working with equipment at the end of Gambetta street, staid children in the area are causing the damage. He claimed large pipes which the company is installing are being filled with rocks.

In addition, a new tar pot had its gauge broken and was dented; a tractor had all the gauges broken, dirt was placed in the gas tank and wires pulled off the engine, and a hoist for lifting pipe had all the gauges broken and dirt put in the tank, he told Officer John Coleman.

MILLER PACES JEFF JV'S PAST WESTMOOR, 28-6

Bob Miller, quarterback for Jeff High's JV's, passed and ran for a total of 19 points himself and six for Stan Montalbo as Jeff beat Westmoor, 28-6, on their field Monday.

Miller ran for 8, 4 and 1 yards on his TD scampers, and passed to Montalbo for a fourth TD. Guard Sam Ayala was outstanding on defense for the Indian eleven.

Waterfowl Hunters Warned By State

Fish and Game Director William E. Warne announced today the new starting time of sunrise for waterfowl shooting will be strictly enforced throughout the state.

TOUCH-FOOTBALL POWERS BEGIN TO SHOW FORM

The "powers" were uncovered in the second week of the Daly City Recreation Department's touch football leagues.

In the 5th Grade League, BYA Hawks whitewashed OLPH, 6-0.

PAL and the BYA 49ers remained undefeated as they shut out their opponents in the 6th Grade League. PAL edged OLPH, 6-0, while the 49ers beat the PAL Devilpups, 12-0. The 49ers have not been scored on in either of their two league games.

In the third league encounter of the day, the BYA Rams evened their record at 1-1 by routing the Ben Franklin Midgets, 26-0.

The 7th Grade Daly City Merchants remained unbeaten and unscored upon when they turned the tables on the previously unbeaten and unscored upon Snell-BYA Stars, 52-0 The BYA?Snell Indians, who had a bye last week, opened their season with a 12-0 win over PAL. OLPH drew a bye.

In the 8th Grade League, OLPH scored a 15-0 victory over PAL. The BYA Colts remained in contention with a 26-8 win over Ben Franklin.

GATORS REMAIN UNBEATEN CLUB

Coach Joe Verducci has reason to be proud as his San Francisco State Gators are the only unbeaten college team in the Bay Area.

The Gators slapped down Nevada, 30-14, to keep an unblemished record, 5-0, and moved into first place in Far Western Conference standings with a 2-0 mark.

Santa Barbara will be the Gators homecoming opponent at Cox Stadium in a 2 p.m. contest here Saturday.

Cosgrove Selected Jeff Athlete For Accurate Passing

Marty Cosgrove, who completed 20 of 35 passes for 185 yards last week against Capuchino, was selected Artvogue Athlete of the week from Jefferson and will receive a new sport shirt, according to radio announcer Warren Wyncoop. Jeff lost 27-7.

Wyncoop will give the highlights of the Jeff-Mills game that is to be played Friday night in San Bruno, between 3:30 and 5 p.m. Saturday over station KOFY, 1050 k.c.

His guests for the show will be Ron Peters, All-PAL back last year, and Al Penners, a guard, both of Hillsdale's highly ranked team. Wyncoop will give a rundown on Northern California high school grid ratings and notes that Hillsdale is 6th among those teams.

'BABE' PINELLI TO UMP

Police, Firemen Vie In Annual Baseball Spectacle Sunday

Daly City police and firemen will oppose the Broadmoor police and Colma fire departments in a benefit baseball game to be played at Marchbanks Park at 1:30 p.m. Sunday. Proceeds go to the youth groups sponsored by the men in uniform.

Babe Pinelli, renowned umpire in the major leagues, wrote an article on players who argued over calls at the drop of a hat, and it is feared that he will face the same complaints when faced by the likes of Police Chief Roland Petrocchi and Fire Chief Elmer Kennedy, (though all in good fun).

Pinelli will also have to contend with Councilman Micheal DeBernardi, manager for the Daly City contingent.

The press cannot hold back the fact that "Christian-Church" will back up the Daly Cityites — Chuck Christian, pitcher, and Lyle Church, catcher, that is.

Other firemen include two former top semi-pros, John Castagnola and Gene Klingler, along with John Jacobs. Police players are Captain Roy Beecher, Les Bastedo, Dick Brewer and Dave Johnstone.

DeBernardi reports that if his fireman pitcher Christian gets in trouble he will relieve with a "fireman" to save the game. Bastedo, director of PAL baseball here, may have trouble after being called up from the junior circuit.

If he fails to hit, his former Yankee PAL baseballers may get on his back. Three-wheels Brewer is reportedly the fastest of the policemen. He keeps his scorecard with him at all times and will hand out tags to runners parked overtime on the bases.

Broadmoor Police will be led by Ray Savage. Savage is noted for his base running. Every time a follow-up story is needed after a crime he talks about "leads." He notes that his club beat the DC departments two years ago but lost last year's game. He will "siren" down traffic at third base.

Police officers under his tutelage are Charlie Manning and Merrill Baxley. Manning and Merrill are two of the best "stickers" in Broadmoor, according to reports from overtime parked motorists.

Police Commissioner Harry Brown will handle the managerial assignment. After striking out on three pitches last year the team unanimously elected him manager.

Reserves of the police department who will see action are George Shinazy, Jerry Schaffer and Wesley Smith. Members of the Colma Fire Department, who previously held meetings at the Brisbane Theater (it burned down), will make up the rest of the squad.

Colma firemen who hope to bring the squad up the ladder in series play are: Ken Gollehon, Chris Christiano, Vic Drago, Joe Schultz, Moe Masini, Fred Bononi, Ray Giusti, Lou Gianni, Mack Cortesi and George Riccorni.

Harry Krohn, manager of Daly City Drugs, will be helpful to the local team.

From the opening whistle to the final dousing it should be a star-studded game.

FIRE CHIEF Elmer Kennedy, obviously enthused over this year's annual baseball game, today said, "We'll make dog meat out of the Broadmoor-Colma departments."

Daly City Driver Enters Monterey Sports Car Races

E. W. Crooks of Daly City will be one of the drivers competing for the winning checkered flag at the Laguna Seca Sports Car Road Races in Monterey this weekend.

Crooks, who works as a subcontractor, has been racing for two years. He has won 9 trophies and holds two strip records for sports cars. An Elva Courier will be his machine for the October 24-25 races.

Peninsula League Football Scores

Scores of Peninsula League football games last weekend:

Burlingame 38, Westmoor 13.

Capuchino 27, Jefferson 7.

Hillsdale 27, South City 0.

San Mateo 25, Mills 6.

Holy Angels School 7th Grade Gridders Win Third Straight

Holy Angels of Colma won its third straight North County Intermediate Touch-Football League game Monday as Coach Roger Kucich's seventh graders downed Ben Franklin School, 14-2.

Pacing the unbeaten league leaders were backs Danny Driscol, James Hoffmann and Roger Kucich Jr.

In earlier action, Holy Angels defeated Millbrae, 18-8, and Colma School's Trojans, 25-0.

The four teams have one more round in the championship race.

College of Pacific can't be called on the carpet for recruiting. They have but one out-of-stater on the squad, Larkin Bryant, junior end from Canton, Ohio.

SIGN tells the story, so all non-Hillside PTA members should take notice and join the organization. Colma K-6 School youngsters (left to right) Susan Bain, John Bomba and Kathryn Bomba remind that the PTA membership drive ends on October 30. The class with the most parents in the PTA at either Colma K-6 or Colma 7-8 will win a prize. Another prize goes to the class with the most number of dads in the PTA

JEFF, 'NO DOORMAT,' TO FACE MILLS HIGH

Jeff High's Indians didn't corral the Capuchino Mustangs but gave an indication to Peninsula League teams that they aren't going to be a doormat for anyone during the 1959 season.

The Indians meet the Mills Vikings this Friday at 3:15 p.m. at the Capuchino field in San Bruno.

Jeff was defeated last Friday by Capuchino, 27-7, but was not "beaten." Marty Cosgrove's sensational passing, 20 for 35 and 185 yards, stopped the Mustangs from kicking up their heels.

Coach Joe McGrath was pleased with the way his team handled itself. "If it weren't for the long gainers we could have been right in the ball game," he said. McGrath was referring to a 59-yard run by Lynn Raymond and a 70-yard punt return by Johnny Browne.

The other two Mustang scores came on a 19-yard run by Browne and a 23-yard saunter by quarterback Rich Marchi. Jeff broke into the scoring column for the first time in three games when Cosgrove flipped a three yarder to end Steve Dueschel.

Dueschel was Cosgrove's favorite target. He wrapped his mitts around eight footballs for 74 yards. The weak Indian running attack was paced by Art Banos who carried 10 times for a 50 yard margin and 5 per carry average.

The Indians knocked as hard as possible on the goal line door but were turned down on two bids at the two and three yard lines. From the two they had a first down situation, but by the time the series was completed were pushed back to th four by Cap's hard hitting lin

McGrath's best punter, Stev Anderson, suffered a broke ankle and will be out for th remainder of the season. Th coach had words of praise fo Cosgrove, Banos and guard Bo Nielson.

Mills started in the Penir sula League for the first tim last week and was turned bac by San Mateo, 25-6. The Vik ings like to tote the pigski rather than pass and have host of strong runners. Ric Jefferies has an 8 yard averag per carry and should keep Je linemen busy.

The alert Jeff line picked o 4 of 5 Cap fumbles last week one by Joe Bollentini setting u their only score, and will hav to watch for the same agains Mills.

JEFFERSON High has a small squad. Doing journeyman work in the line will be (bottom row) left to right: Gary Monyhun, Jim Caruso, Jerry Sifford, Joe Ballentini and Darrel Cohen. Standing are Wayne Pickering John Souza, Bob Guerrero an Gene Bertoloni.

Capuchino Beats Ram 120 Cagers

Capuchino moved into undisputed position of first place in 120 basketball by beating Westmoor, 32-26, last week. Coach Tony Giammona of the Ramlings said his all-around ace Pat Russo was not up to peak efficiency due to flu earlier in the week. The Rams are second with 4-1.

Russo paced the scoring with 7 points, followed by John Kelly's 6. Byron Van Alstyne's 110's won their first contest of the season, 33-32, over Cap. Jeff Trager and Rich Landess with 11 markers a-piece led the scoring.

Two days later Russo recovered from the flu. His 19 points and 10 by Kelly pulled the '20's to a 39-37 victory over San Mateo. The 10's reverted to losing ways, 40-26, though Landess scored 14 against the small Mateans.

KNOWS FOOTBALL FROM F TO L: Sequoia High's Coach Joe Marvin amazed Peninsula Sportswriters Association members last week with tremendous memory feats. For instance, he reeled off the Helms Foundation Award football top choices for colleges since 1937. He knows a little about football too. His Sequoia squad is rated tops in the southern portion of the Peninsula League.

OFFICIALS; MANY RUNS, NO HITS, LOTS OF ERRORS Sideline spectators at both Westmoor and Jeff have been crying about the poor officiating at high school games. We make no judgement, only offer the opinion of others.

BB — NOT BRIGETTE BARDOT: BB stands for Basketball and Tony Giammona expects an improved Ram varsity this year. He has guard Bill Dougherty, forward Dick Reese and center Clark Beerman returning along with three former 130 stars. The Rams, 5-9, tied with Jeff for fourth place last season. He expects San Mateo, Hillsdale and Capuchino to be the best net wrinklers.
